In 1968, after serving as a New York City police officer for two years, Eddie Money (born Edward Mahoney) put his law enforcement career on hold to pursue music. After signing a recording contract with Columbia Records, Money burst onto the scene with his eponymous debut album in 1977. Fans immediately fell in love with Money’s sound, and the album, which went double platinum, featured hits like “Baby Hold On” and “Two Tickets to Paradise.” Money followed the success of his debut album with a stream of Top 40 hits, as well as some of the era’s most creative videos for songs like “Think I’m in Love” and “Shakin.” In 1986, Money released Can’t Hold Back, which featured the classic, Grammy-nominated duet with Ronnie Spector, “Take Me Home Tonight.” The song reached number 4 on the Billboard Hot 100. The album went platinum and also featured the hit “I Wanna Go Back.” These days, Money continues to delight new and old fans alike at venues throughout the country.
