Over their first 28 years as the band HANSON, brothers Isaac, Taylor and Zac Hanson have made a significant mark in music.

Starting in 1992, they spent their first five years building a fanbase as an independent band in Tulsa, Oklahoma. After signing a record deal, they saw a meteoric rise with the 1997 international smash single "MMMBop" from their debut album *Middle Of Nowhere* followed by consecutive top 40 singles. A long line of hits, five more studio albums, multiple Grammy nominations and over 16 million album sales followed.

Over their second decade, the band charted their own course, running an independent label while maintaining a coveted connection with their global fanbase. In 2007, they launched a grassroots campaign to support poverty and HIV/AIDS relief in Africa (TakeTheWalk.net). In 2013 they launched HANSON Brothers Beer, premiering their new venture with a signature Pale Ale, Mmmhops, and in 2014 they launched the hugely successful Hop Jam Beer and Music Festival in their hometown of Tulsa, which boasts more than 30,000 attendees annually.
