Experience our therapeutic circuit in either of our men's or women's lounges. Complimentary use of a lush robe and spa sandals prepares you for your journey. This area was developed to stimulate every sense and is a place you will want to relax and recharge for an hour or half a day. Your journey can begin or end with an herbal steam experience, dry sauna, a session in our vitality pool or by just lounging on our heated relaxation lounges.

During your experience, you may choose a therapeutic intention based on your individual desires. Each involves the use of the amenities contained within the wet area; however, each is focused on delivering your desired result.

Choose from these intentions:

- Detoxification
- Relaxation
- Revitalization
- Renewal
