The Boy Band Night is the ultimate live tribute to the biggest boy bands of all time—delivering a high-energy, full-band show that recreates the moves, the moments, and the melodies that defined a generation. From Backstreet Boys and NSYNC to One Direction and Jonas Brothers, every performance is all-live, no tracks, and packed with fan-favorite hits.

With three frontmen and a full band behind them, the show blends tight choreography, big vocals, and real musicianship to bring arenas and bar stages alike to life. Whether it's a bachelorette blowout, a summer festival, or a throwback club night, the crowd doesn't just watch—they sing, scream, and dance like it's 1999.

Founded by Glenn Hudy and Kenny Braasch—co-founders of The Right Stuff Entertainment—The Boy Band Night has grown from a passion project into one of the most in-demand tribute acts in the country. With national tours, international shows, and a dedicated fanbase, the band continues to deliver the kind of throwback night that always feels like the main event.
