FOR IMMEDIATE RELEASE

LOS LONELY BOYS TO PERFORM AT FOUR WINDS NEW BUFFALO'S SILVER CREEK EVENT CENTER ON FRIDAY, JUNE 11

Tickets go on sale on Friday, November 20

NEW BUFFALO, Mich. – November 17, 2026 – The Pokagon Band of Potawatomi's Four Winds® Casinos are pleased to announce that Los Lonely Boys will perform at Four Winds New Buffalo's Silver Creek® Event Center on Friday, June 11, 2027 at 9 p.m. Eastern. Ticket prices for the show start at $30, plus applicable fees, and can be purchased online at Ticketmaster beginning on Friday, November 20 at 10 a.m. Eastern. Hotel rooms are available on the night of the concert and can be purchased with event tickets.

For Los Lonely Boys—brothers Henry, Jojo, and Ringo Garza—family has always been at the core of their music and lives. After years of constant touring, the trio took a much-needed break in 2019 to focus on their growing families. But in Summer 2022, they returned to the road reinvigorated, even opening for The Who, and reigniting the passion that's kept them together for over 17 years.

Hailing from San Angelo, Texas, the Garza brothers coined their own sound—bluesy "Texican rock & roll"—and turned it into a global sensation. Their breakout came when Willie Nelson's nephew discovered their demo. Willie soon championed the group, booking them for Farm Aid and recording with them at his studio. Their debut album, Los Lonely Boys, released in 2003 and re-released by Epic, was a smash success, thanks to the No. 1 hit "Heaven." The song earned them a Grammy and helped the album spend over 76 weeks on the Billboard Top 200, selling over 2 million copies.

They've collaborated with legends like Carlos Santana and Willie Nelson, performed at iconic venues, and appeared on campaigns for global causes. Their story was also captured in the documentary Cottonfields and Crossroads, chronicling their rise from a musical family in Texas to Grammy-winning artists.

But their journey hasn't been without hardship. In 2013, a serious stage accident left Henry injured, forcing the band to cancel dozens of shows and re-evaluate their priorities. That scare became a turning point, reinforcing their devotion to one another and to what truly matters—family and music.

Now firmly back in stride, Los Lonely Boys continue to write, record, and perform with renewed passion. Their time away deepened their creativity and strengthened their bond as both musicians and brothers. In 2024, they released Resurrection through BMG—a powerful return that captures their signature "Texican rock & roll" sound while uniquely blending elements of soul, roots, and rock & roll. With Resurrection earning critical praise

and their live shows drawing enthusiastic crowds, Los Lonely Boys are not just back—they're thriving. More than two decades after their debut, they remain a vital force in music, proving that their story is still unfolding.
